Dear Administrators,

I invite your art teachers to submit entries for the 2020 K-12 Student Art Assessment and Virtual Exhibition hosted by the Florida Art Education Association.

This prestigious exhibition is designed to promote the achievements of students enrolled in visual art classes throughout the State of Florida along with serving as an assessment tool that helps to develop teachers and foster rigor in the classroom.

**Requirements:**

- Art teacher must be a current member of FAEA \$45
- Enter as many students as you would like, one entry per student
- Entry fee: \$5 per entry
- Upload digital photos in JPG files by March 8, 2020
- Signed release forms must be received by April 2, 2020

Please encourage and support your art teachers to take this opportunity to recognize their student's achievements and be recognized at the state level.

Students that receive an "Award of Excellence" or an "Award of Excellence with Distinction" are featured in the virtual exhibition and in FAEA.org's virtual gallery. A separate exhibition features all K-12 student artworks that received a perfect score with the "Award of Excellence with Distinction." Students receive certificates for participating and all qualifying works are displayed at the FAEA Annual Conference each year.
