

The Florida Art Education Association (FAEA) Awards:

Award Descriptions

The Florida Art Education Association's rationale for presenting annual awards is:

- To recognize individuals within the membership who have achieved the highest level of professionalism in art education; and
- To show appreciation for individuals or organizations that have contributed their services in an exemplary way to the association and to the professional goals we share.

It is vital that the Florida Art Education Association recognize art educators and the outstanding job they do each day.

The Florida Art Education Association invites nominations from any member, for the following annual awards given for outstanding contributions to art education in Florida. Nominees must be members of FAEA, and work 51% of their time in the category specified. Each division selects one awardee to honor for outstanding service and achievement on the state level. Since some awardees who are members of NAEA are eligible for national awards, we ask that all nominees fill out the Standardized Vita used by NAEA.

Completed nomination packets must include the following:

- Nomination Form
- Standardized Vita (Please use format provided herein)
- One letter of support
- 3" x 5" high resolution photograph
- Biographical statement (100 words) to be published for those who are selected. This will be used for the script at the Awards Ceremony.

Selection Criteria for all categories include appropriate items from the following:

- Professional involvement in FAEA
- Evidence of strong leadership roles and accomplishments in classroom or workplace
- Memberships, offices, and honors from other professional organizations

- Research/publication and/or exhibition
- Classroom-related experiences in curriculum development, instruction, and assessment
- Quality of packet presentation: adherence to guidelines, typed, and free of errors

Award selection and presentation:

The FAEA Awards Committee will screen the nominations for eligibility and a panel of judges will select award recipients. Nominees to receive awards will be notified by the President in early fall. Each award winner will be honored at the annual FAEA Conference and listed in the conference program, winter issue of Fresh Paint and on the FAEA website.
