Dear Administrators,

I am pleased to announce that the 69th Florida Art Education Association (FAEA) Professional Development Conference is scheduled for October 14-17, 2021. The Florida Art Education Association's annual conference, the largest professional development event in Florida for visual art educators, will include over 150 sessions, workshops, and events.

I ask you to encourage your art teachers to take advantage of this professional development opportunity through support for registration fees and approved leave time. Please note that all presentations, workshops, and events are 100% art education content that can be applied to instructional programs immediately upon return. Furthermore, many of the conference presentations will be related to assessment, classroom management, virtual learning techniques, and the visual arts. Over many decades, it has become the largest art education professional development event in Florida.

For further information about the 2021 FAEA Conference, please contact FAEA at (850) 205-0068, email info@FAEA.org, or visit www.FAEA.org. We look forward to providing a unique professional service to your art teachers. Thank you for your continued support of the visual arts.

Sincerely,
