**Portfolio Details

Option #4: "Submits a portfolio that demonstrates the student is an exemplary practitioner of fine arts"

Portfolios must meet the following requirements:

- Must include at least 1 and not more than 8 separate works of art within one fine arts discipline
- Students must submit photographs or prints showing their original works of visual art
- School district-appointed personnel must review the portfolio using the "Florida Seal of Fine Arts Portfolio Rubric" (Form FA-2) to determine if the student is an exemplary practitioner of fine arts
- A score of 18 or higher qualifies as "Exemplary"

How Students Can Apply & Considerations for School Districts

- Applications and verification of completed requirements will need to be tracked at the district level.
- Consider coordinating with your district's counseling team and/or the person/team that oversees the Seal of Biliteracy program in your district.
- Consider an online survey where students can enter their contact information, school, and teacher, as well as upload supporting documents.
- Set a deadline early enough that you have time to process applications and verify grades and completion of tasks. [February /March]
