

The Florida Art Education Association (FAEA) Awards: *Award Descriptions*

The Florida Art Education Association's rationale for presenting annual awards is:

- To recognize individuals within the membership who have achieved the highest level of professionalism in art education; and
- To show appreciation for individuals or organizations that have contributed their services in an exemplary way to the association and to the professional goals we share.

It is vital that the Florida Art Education Association recognize art educators and the outstanding job they do each day.

The Florida Art Education Association invites nominations from any member, for the following annual awards given for outstanding contributions to art education in Florida. Nominees must be members of FAEA, and work 51% of their time in the category specified. Each division selects one awardee to honor for outstanding service and achievement on the state level. Since some awardees who are members of NAEA are eligible for national awards, we ask that all nominees fill out the Standardized Vita used by NAEA.

Completed nomination packets must include the following:

- Nomination Form
- Standardized Vita (Please use format provided herein)
- One letter of support
- 3" x 5" Photograph
- Biographical statement (100-150 words) to be published for those who are selected

Selection Criteria for all categories include appropriate items from the following:

- Professional involvement in FAEA

- Evidence of strong leadership roles and accomplishments in classroom or workplace
- Memberships, offices, and honors from other professional organizations
- Research/publication and/or exhibition
- Classroom-related experiences in curriculum development, instruction, and assessment
- Quality of packet presentation: adherence to guidelines, typed, and free of errors

Award selection and presentation:

The FAEA Awards Committee will screen the nominations and the Board of Directors will vote on each award nomination. Nominees to receive awards will be notified by the President in August. Award winners will be honored at the annual FAEA Conference and listed in the conference program, winter issue of *Fresh Paint* and on the FAEA website.

Careful consideration should be made for each award and nominee. We often get nominees that are clearly not eligible for certain awards. We also receive last minute fill-in awardees so "all the slots are filled." There is no FAEA policy that each award must be given every year. To simply "fill" award slots dilutes the quality and integrity of the awards program.
