ONLINE MASTER OF ARTS IN ART EDUCATION

From the President

Dear Members:

Crisp air, sweaters and coats, celebrations, and a great winter break are all the signs of the month of December. Four months of the school year have gone by and before you know we will be closing out the school year! We celebrate another successful year of arts creations across the state, curriculum changes and impact to the visual arts. FAEA has made great progress to improve our organization and has produced additional services for our members.

December also marks the end of my term as your FAEA President. It's been both an honor and a true pleasure to serve you. Professionally it has been one of the most rewarding experiences in my career in our wonderful field of art education. As I step into the role of Past President I hope to continue to impact art education in the state of Florida as well as across the nation. It is my hope that more of you, our members, consider embarking in leadership roles within your districts, local organizations or even FAEA. There is power in numbers and the louder our voice, the larger the impact.

As we welcome in the 2014 New Year, we also welcome the new FAEA Board of Directors. I am confident the new FAEA Board under the leadership of incoming President Karen Nobel will be a total success. The new board will bring in fresh new ideas, concepts and innovative criteria to continue FAEA's forward-thinking strategy. FAEA's future accomplishments and growth will be unsurpassable.

Thank you for allowing me the opportunity to serve you and I wish every one of you and your loved ones a fabulous holiday break.

Keep art education in your hearts!

Artistically yours,

Mabel Morales, President
